

ELEVATING WORK PLATFORM (OVER 11M) STUDENT JOURNEY

1. Enrol in your Course

Book your course online or by calling our friendly customer service team.

2. Access your learning material

You will receive a confirmation email which includes important information and login details for the Online Portal. Whilst optional, the pre-course learning material greatly assists your preparation for the course. If you are enrolled in the advanced course, you must complete your Activity Workbook prior to attending the course.

3. Attend Training & Book into your WorkSafe QLD Assessment

Theory, Practical Training & Practical Assessment preparation. Your assessment date will be held within 14 days, we recommend using this time to study. **If you are enrolled in the advanced course, you are only required to attend on day 2.**

4. Receive your Credentials

Once deemed competent you will be issued a Notice of Satisfactory Assessment (NSA). This document allows you to immediately operate an Elevated Work Platform (Over 11m).

You will also receive a Statement of Attainment for

TLILIC0005 Licence to operate a boom-type elevating work platform (boom length 11 metres or more)

You can apply for a high risk work (HRW) Licence or add a new licence class on an existing HRW licence at work-safe.qld.gov.au using the 'Online Services'. This must be completed within 60 days. Your photo licence will be mailed to you directly and is valid for 5 years.

*Post Office application fees apply.
