

Work Safely at Heights

About this course:

- **This course is suitable** for beginners and those that have experience with no formal training.
- It is designed to provide and confirm the skills and knowledge to enter and work in confined spaces.
- PCBU's (employers and those responsible) need to ensure that they have provided training to ensure that hazards and risks are managed effectively. This course imparts the basic skills and knowledge required and does not replace Site Specific Inductions and Task Inductions.
- This involves moderate physical activity including climbing up and down ladders, putting on a harness, being at heights and entering confined spaces.
- The course commences once booked! The nominal time for this course is up to 20 hours. As a guide, you will need to spend up to 4 hours reading and completing your Student Workbook, followed by one full day of attendance to complete the minimum requirements.
- **Language Literacy and Numeracy Requirements:** Please refer to "Important Language Literacy and Numeracy Requirement information" found on our website or contact us for further information. You must have a good comprehension of the English Language to undertake this course as it requires pre-attendance reading and a Student Workbook to be completed prior to attending.

Contact us if you have any questions about this course. Choose a site and make a booking online or contact us on 07 2101 2499.

Receive confirmation email and access your online course.

This is sent to you immediately once you have booked. You will get access to all the required reading course materials. You **MUST read and try to understand** the learning materials **BEFORE** you come in. The ***Student Workbook MUST be completed before attendance.*** (You do not have to print the Learner Guide (Information Book).

Attend for training day on date booked (8:30am to 5:00pm approx.) at our training centre. This involves further theory training and assessment as well as practical training on our purpose built practical training structure.

Once you have met all the training and assessment requirements you will receive your Statement of Attainment (SOA) and Wallet Card (if requested).
