Other Important Information

LANGUAGE, LITERACY & NUMERACY REQUIREMENTS

This course is delivered in English. To be able to successfully complete our training programs, participants must be able to read and write English to a sufficient standard to work with the supplied texts. You may also be requested to undertake a Language, Literacy and Numeracy assessment.

RECOGNITION OF PRIOR LEARNING (RPL)

If you feel that you already have the skills and knowledge covered in this course through prior learning, work experiences or general life skills then you may apply for RPL (Recognition of Prior Learning).

This is a process whereby you present evidence of your competency to your assessor who will then assess your evidence against the requirements of the course. Should the evidence meet the requirements of one or more units (even the whole qualification) then you may be awarded the unit(s) and not require any training or assessment. Where the evidence

presented does not meet the requirements then you may apply to attempt an assessment only process to provide the required evidence or simply return to completing the required training followed by assessment. Contact us for further information about RPL assessments.

CREDIT TRANSFER (CT)

Just Careers Training recognises all Statements of Attainments issued by other RTO's in Australia. If you have completed some units of this program previously through another training program (the same course) then you may be able to gain credits for this (Credit Transfer) and this may also shorten the requirements and the duration for achieving this qualification.

FLEXIBILITY & REASONABLE ADJUSTMENT

In line with VET principles and as per the requirements set out in the relevant Training Package, there is scope for Reasonable Adjustment of the training and/or assessment requirements set out in this course.

Reasonable Adjustment in training may include the use of learning props and methodologies better suited to the individual's needs, as long as the adjustment in training method is still in line with regulator requirements. Examples of this include the use of videos and presentations, one on one training methods (for parts of the training not requiring work with other individuals) and extended training plans that exceed the standard course duration and format.

Reasonable Adjustment in assessment may include adjusting the assessment methodologies or the tools in order to cater for the needs of the participant. This may include the use of Verbal Assessment in place or written assessments and other variations allowable by the course requirements. Minimum assessment requirements have been set out by in the National Training Package and these cannot be reduced.

PARTICIPANT SUPPORT

You will be provided with sufficient support to ensure that you attain this unit. This support is limited to support offered throughout the duration of the course and the support that we can provide to you in relation to training and assessment. Support cannot change any of the course requirements. Where we cannot provide you with the support you require, we will provide you with information about where and how you can access any available services.

Your trainer will:

- Explain the course requirements, objectives and outcomes
- Present the required information in an easy to understand format
- Discuss the subject matter, answer your questions and demonstrate the skills required
- Assess you only once you feel (and he/she believes) you are ready for any final assessment

- Provide options for further training

Provide you with options, where they exist and are allowable for reasonable adjustment to the training and/or assessment components of this course.
